

MAKE IT LONDON LTD

FABRICATION FOR RIBA

GIANT ARCHITECTURAL STYLE MODEL FABRICATION FOR RIBA
Our latest model fabrication was commissioned by RIBA which displayed the rise and fall of type of architecture styles throughout history. We built the model using sustainable Finsa wood to be showcased for the London exhibition Freestyle - Architectural Adventures in Mass Media.
“We are very happy with the end result, thank you! “
Rodrigo Orrantia Gomez - Exhibitions Department, Royal Institute of British Architecture
