

## MARVOLUS

### SUNSET

Program: Tomato Spinner  
Benefit: "Unique" Secondary Location

Sunset wanted to take advantage of their unique packaging shape to create a proprietary freestanding display for secondary location in the Produce section.

- The custom spinner shelf is unique to Sunset's packaging and interchangeable, high impact graphics around the 3-D header and base assembly reinforce the brand messaging
- Designed to flat pack, but robust when built – client reported zero defects and significantly increase in-store life
