NFL FANATICS FEST BOOTH – NYC

Millennium Signs & Display partnered with design agency Isin to bring the immersive NFL experience to life at Fanatics Fest NYC. Entrusted with the complete custom fabrication and on-site build at the Javits Center, Millennium turned creative concepts into high-impact reality. The installation featured structural millwork, large-format graphics, and custom retail fixtures designed to showcase the "Football x Football" apparel collection for all 32 NFL franchises.
