THE GIANT GAP BAG SCULPTURE

The Giant Gap Bag Sculpture: Rockefeller Center Installation

Millennium Signs & Display handled the custom fabrication and installation of a huge 20-foot sculpture of a Gap bag displayed at Rockefeller Center in New York City. For New York Fashion Week 2026, the Millennium team meticulously scaled up every detail of the collection's signature dark-denim Five-Pocket Tote.

This project highlights Millennium Signs & Display's capability to turn bold creative concepts into flawless, structural realities that dominate the visual merchandising landscape.
