THE WINNING WINDOWS OF NEW YORK

The Winning Windows of New York contest recognizes the best of New York City's holiday window designs. The design:retail judges will evaluate window displays of retailers' flagship stores in the city, and then select the storefronts that best capture the holiday spirit as well as demonstrate exceptional visual merchandising.
Once again, this year's competition will be judged virtually. This will allow us to spread the window love and expand the competition to include a new category — Winning Windows of North America — which will be open to ALL retailers in North America that want to show off their visual prowess!
