

SIGNCOMP

EASITEX TEXTILE SIGNAGE

Here at SignComp Europe, we offer a brand new and patented tension fabric system - EASITEX. The EASITEX sign system is the next evolution in textile signage and offers a number of advantages over traditional soft signage systems. These advantages stem from one major difference, EASITEX does not require any silicone strips - no need to sew or fabricate your textile print! See more information at www.signcompeurope.com
