PALLET BOXES

As the saying goes: tidy house, tidy mind. When it comes to a professionally organised warehouse, you could go so far as to say that a tidy house is everything. In the midst of boxes, racks and Euro pallets, a cool head and the right system are vital. Practical pallet boxes help you make full use of every corner. All this can be done safely, reliably and precisely. Whether for Euro pallets (pallet box model PA-X) or Düsseldorf multi-use pallets (pallet box model PA-300/1), Wanzl has the right pallet boxes for you.
