Successful selling begins in the car park – customers appreciate the convenience of shopping trolley shelters. Wanzl trolley shelters ensure perfectly orderly trolleys that are reliably protected against external influences. Of course, Wanzl trolley shelters can be individually adapted with regard to dimensions, shape and colour, and they are even available in CI design on request. Wanzl also offers shelters specifically for customers' bicycles. A vast range of accessories is available for all shelters – from interior lighting to welcome signs.
